AMENDMENT TO THE DRAWING

Applicant respectfully requests entry of amended Drawings 9 and 27 in the above-referenced application. For the convenience of the Examiner, a marked-up copy of the drawings to show changes made is enclosed herewith.

REMARKS

Applicant respectfully requests entrance of the amended drawings as detailed above, and respectfully submits that no new matter is presented with these amendments.

Figure 9 has been amended to correctly depict the structure of the 3-Le^y construct (which was missing a methyl group in original Figure 9) and to more particularly depict the points of attachment of each carbohydrate construct (3-Le^y and 6-Le^y).

Figure 27 has been amended to correct formal and clerical errors. Specifically, the location of the label "Figure 27" in the Drawing has been changed. In addition, constructs 49
